St. Andrew's United Church Reopening Plan & Checklist

Preamble

At our last council meeting held on July 8, 2020, St. Andrew's Council passed a motion to reopen the Church for congregational gathering. As a result, we have drafted this covid-19 Reopening Plan & Checklist. The information presented is subject to change as new guidance becomes available. In keeping with local, provincial Health Authority and the Pacific Mountain Regional Council of the United Church of Canada (PMRC) guideline. St. Andrew's United Church will only open ***if it is safe to do so and have all precautionary measures in place.*** This plan along with all future changes and new operations will be communicated through usual methods including website, newsletters, social media, phone calls and reinforcing of expectations during the worship services.

Our communication and education (C&E) around the Coronavirus will take a two-fold approach: Pastoral and Strategic. C&E will be pastoral because, in a time of fear and crisis, people will need to be reminded that God is their refuge, strength, an ever-present help in times of trouble. C&E will also be strategic. People will want to know there is a plan and to be reassured that we are taking their health needs seriously.

While the Province of British Columbia is at Stage 3. The PMRC Recommendation is that congregations remain in Phase 2 due to the demographic of our members. ***This Re-opening plan is assuming we will reopen our building/premises after August 9, 2020, if it is safe to fully reopen the building.*** Our building capacity is as followed

- Sanctuary 120 persons maximum = 36 persons will be allowed
- CE Room 40 persons maximum = 12 persons will be allowed
- Dining Hall 100 persons maximum = 30 persons will be allowed

These numbers are calculated using the suggestion of 30% of building capacity or 50 persons and the ability to maintain physical distancing. While we cannot control the virus, the spread, or the impact it has on our church, we're doing everything we can to make our building/premises as safe and clean as possible. As people of faith, our goodwill and the best effort is being called upon to enforce this plan. If by any reason we cannot fulfil these requirements, we will be forced to close our building again. We appreciate your cooperation and commitment to help us in doing this.

Service Experience	March-August 8, 2020	August 9, 2020 Reopening & Beyond	Readiness	
			No	Yes
In-person services	No in-person services	This will commence on or after August 8, 2020

Must follow provincial regulations and provide a COVID-19 policy Case by case depending on the ability to meet requirements.		

COVID – 19 Screening Questionnaire

Hi Family & Friends.

If you answer YES to any of the questions below, please do not enter these premises.

Members/visitors are encouraged to contact a primary care provider, local public health unit or Telehealth to discuss their symptoms and/or exposure and seek advice on testing.

1. Do you have any of the following possible symptoms related to COVID – 19?		Yes	No
	Fever or Chills	<input type="radio"/>	<input type="radio"/>
	Cough or worsening chronic cough	<input type="radio"/>	<input type="radio"/>
	Difficulty breathing	<input type="radio"/>	<input type="radio"/>
	Flu-like symptoms (headache, sore throat, runny nose)	<input type="radio"/>	<input type="radio"/>
	Unusual muscle or body aches	<input type="radio"/>	<input type="radio"/>
	Atypical headache	<input type="radio"/>	<input type="radio"/>
	New loss of taste or smell	<input type="radio"/>	<input type="radio"/>
	Nausea or vomiting	<input type="radio"/>	<input type="radio"/>
	Diarrhoea	<input type="radio"/>	<input type="radio"/>
	Hoarse voice	<input type="radio"/>	<input type="radio"/>
	Difficulty swallowing	<input type="radio"/>	<input type="radio"/>
	Unexplained fatigue/malaise	<input type="radio"/>	<input type="radio"/>
2. Have you traveled to a high-risk area or outside of Canada in the last 14 days?		<input type="radio"/>	<input type="radio"/>
3. Have you been in contact with someone who is a confirmed case of COVID-19 in the last 14 days?		<input type="radio"/>	<input type="radio"/>
4. Have you been advised by your physician or Public Health Official to be in self-isolation currently or within the last 14 days?		<input type="radio"/>	<input type="radio"/>

St. Andrew's United Church, Enderby, BC
Zion United Church, Armstrong BC

Cleaning Protocol

To limit the transmission of viral diseases, such as COVID-19, cleaning protocols should be used to clean and disinfect common contact surfaces within our work and worship spaces.

Cleaning is defined as the physical removal of visible soiling, such as dust, soil, blood, mucus. Cleaning removes viruses and bacteria but does not kill them. Disinfecting kills viruses and bacteria. Chemicals which are listed under Health Canada's List of Hard Surface Disinfectants should be used for disinfecting processes. **(Refer to the BCCDC Handout in a binder with St. Andrew's COVID Reopening Plan & Check List)**

Always ensure the following:

- Use of approved hard-surface disinfectants, which have the Drug Identification Number (DIN)
- Refer to the Safety Data Sheet (below) and follow directions
- Staff/Volunteers have the required PPE to do the task safely
- For cleaning and disinfecting protocols, ensure Staff/Volunteers who are responsible know the hazards related to the chemicals.

			√	X
Washrooms (toilets, faucets, door handles)				
Elevators (push buttons, handles)				
Dining Hall and Christian Education room (meeting, training) + Tables & Chairs				
Desktop, keyboards, mouse, phones, touch screens, photocopier & printer				
Kitchen (fridge, stove, microwave handles, countertops)				
Stair railings (inside and outdoor)				
Doorknobs and handles & Light switches				
Sanctuary (pews, mic, pulpits, tables, candles, candleholders & lighters)				

Funeral/Memorial and Weddings Protocol

Strategies to prevent or reduce the possibility of transmitting COVID 19 at receptions help on the premises of St. Andrew's United Church are adapted from the recommendations for restaurants, cafes and pubs and can be found on the BCCDC and WorkSafeBC web-sites.

The following numbers of persons attending a reception on our premises must adhere to:

- Sanctuary 120 persons maximum = 36 persons will be allowed
- CE Room 40 persons maximum = 12 persons will be allowed
- Dining Hall 100 persons maximum = 30 persons will be allowed
- Kitchen 3 persons at any one time are allowed

These numbers are calculated using the suggestion of 30% of building capacity or 50 persons and the ability to maintain physical distancing. Members/Adherents and guest should practice physical distancing and good hygiene habits when serving and being served. Below is what guest and users of our spaces should expect and adhere to:

- Do not attend church gatherings, funerals/memorials, weddings, receptions or other places where people gather if you are ill.
- RSVP is preferable and providing contact information for one member of the family or group that attend a function on our premises.
- No communal or buffet-style meals in church services.
- For receptions after memorial/Funeral, pre-packaged meals are the best option for clients to limit gatherings inside the dining/serving areas.
- Designate a person (s) to serve food and drinks to others, and ensure that person washes their hands before being served.
- Servers are required to wear masks, gloves to provide added assurance to those being served.
- Servers should practice frequent hand-washing and practice physical distancing when possible.
- Ensure handwashing stations or hand sanitizer is placed close to where food and drinks are served.
- Follow all instructions provided and maintain a 2-metre distance from others:
 - ✓ When waiting in line outside,
 - ✓ When inside the building and when visiting washroom facilities.

- When providing foods and beverage service to guests there are several options for servers to physically distance from those being served.
 - ✓ Placing meals, drinks, utensils, jugs of water, napkins and other items at the edge of the table and asking persons to serve themselves, then step away before the client picks it up.
 - ✓ Avoid touching coffee cups while refilling, or providing insulated carafes for customers to refill themselves.
 - ✓ Staff and volunteers may dispense water/coffee/cream/milk from food containers for clients. Single-use condiment packages should be provided to clients rather than allowing them to touch any bulk food containers, e.g., salt/pepper/sugar/ketchup/mustard.
 - ✓ Alternatively, staff and volunteers may dispense condiments from bulk food containers for clients.
 - ✓ Clean condiments containers between uses if these items are shared.
 - ✓ If guests are seated, they can assist physical distancing by moving used dishes to the ends of tables when the meal is over.

For additional guidance on food safety, please refer to the BCCDC website.

Communications & Education Strategy

The mode of communication & Education will be done via

- Text Messaging & Email
- Social Media: Facebook, Twitter, Instagram
- Phone Tree
- Newsletter
- Postal Services
- During church services

Informational & Educational Letter

Dear St. Andrew's United Church Family,

At St. Andrew's United Church, we want to care for our congregation in all respects, including the physical well-being of our community. To that end, we are asking you, our members, adherents and visitors, to take precautions to keep yourself and others safe, especially in light of recent developments with the Coronavirus (COVID-19).

Please be mindful of the guidance from the Provincial Health Authority of British Columbia, including:

- Stay home when you are sick.
- Practice good hygiene (frequent handwashing with soap and water soap and water for at least 20 seconds and use of hand sanitizers).
- Avoid touching one's face.
- Respiratory etiquette (cough or sneeze in your sleeve, hanky or tissue).
- Disinfect frequently touched surfaces.
- Practice safe distancing at least 6 feet or 2 meters

The uncertainty of this outbreak is creating anxiety in our places of worship, work, study, and day-to-day activities. Yet we remain confident of God's constant presence and careful attention to all that is happening. Please join us in praying for those who are affected by this illness, as well as for their caregivers and those who are working around the clock to minimize the impact of this virus.

If the Coronavirus is spreading in your area, we recommend letting us know your plan of action and what your expectations are of us. We want to update you on what's happening at St. Andrew's United Church in light of the coronavirus (COVID-19). Like you, we have been following this evolving story with great concern. We are in contact and communication with the Pacific Mountain Region Council and keeping up to date with the information given by Dr Bonnie Henry and the Regional Health Authority to ascertain how to best move forward. Please read through this entire message as it contains detailed plans for keeping our building/premises safe and how you can help.

At this time, officials recommended the cancellation of all Church gatherings and public events. St. Andrew's United Church office will remain open on Wednesdays, and we will continue to have services Online. In the event, we will have in-person services we will inform everyone to the best of our abilities through our website, emails, and social media.

During this time, here's how we are committed to keeping our building/premises clean:

1. We will sanitize frequently touched surfaces before and after every use of buildings such as doors, handles, tables, check-in stations, and sinks.
2. Our staff and volunteer teams will wash their hands frequently and stay home if they are sick.
3. We will provide additional hand sanitizer stations at each entry and exits for everyone to use.
4. In the event we are allowed to serve coffee our servers will wear gloves when they serve coffee.
5. We are recommending you bring with you a mask. (Mask will be present for those who don't have one.)
6. Offering boxes will be relocated to the back and front of the sanctuary, so you don't need to pass them down the row. Remember, you can also give online.
7. Pews are marked for easy identification.
8. If used bulletins will be placed at seating spots.
9. On Sundays, enter Sanctuary and CE Room from Belvedere Street
10. On weekdays, enter offices, Dining Hall/Kitchen from Regent Avenue
11. You must read the COVID-19 Questionnaire posted and as directed by greeters.

We are also asking you to help stop the spread of the virus in the following ways:

1. Stay at home when you or a family member are sick.
2. Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating and after blowing your nose, coughing, or sneezing.
3. Cover your sneeze or cough with a tissue or your arm.
4. Self-Isolate for 14 days if you have travel outside the province or to high-risk areas
5. When you meet substitute shaking hands with a wave or a friendly smile.
6. If you or someone you know tests positive for COVID-19, please let us know so we can find a way to help, pray for everyone involved, and take any necessary precautions here at St. Andrew's United Church.

St. Andrew's United Online

If you or a family member are sick or need to stay home during this time, you are welcome to watch Sunday services online. You can find our service that is shared with Zion United Church on our Facebook Page 9:30 AM @ <https://www.facebook.com/standrewsenderby> or Zion United Facebook Page 11:00 AM @ <https://www.facebook.com/zionunitedarmstrong>.

You may also join us on YouTube Sundays 9:30 AM @ https://www.youtube.com/playlist?list=PLeP-gXbHZjxV4qouRZre_np9oFLrV3nph

For Families with Children

Despite the recommendation that there be no children church, we will be taking extra care of our kids' spaces. Kids' toys and rooms will be sanitized nevertheless. When we are able to meet these areas will be sanitized before and after there is a service. There are Summer Kits available for families. Please contact Lorraine Powell, Allison Glanfield or Sharon Horsfield if you have children and would like a kit.

Spiritual Questions

1. What are we doing to encourage our congregation not to live in fear?
2. What opportunities do we have to help our local communities?
3. What are we doing to encourage our volunteers to show up and serve?
4. What are we doing to help people who are staying home to stay engaged with our church (i.e., Online Services, Emails, phone calls and so on)

Questions, Queries or Concerns

If you'd like to share your thoughts, concerns, questions, or ideas with us as we navigate our response to this situation, we'd love to hear from you. Your input and feedback are truly important to us. Please email ministerfranklyn@gmail.com with any questions or comments.

While we cannot control the virus, the spread, or the impact it has on our church, we're doing everything we can to make our building/premises as safe and clean as possible. As people of faith, our goodwill and the best effort is being called upon to enforce this plan. If by any reason we cannot fulfil these requirements, we will be forced to close our building again. We appreciate your cooperation and commitment to help us in doing this.
